Ruben Alcazar Alvarez

Full Stack Developer

Telephone	+52 33 34880050
Email	alkazar.r@gmail.com
Address	Zapopan, Mexico.

Summary

Full Stack Developer with strong background in Node.js, React, PostgreSQL and Mongo, i have worked in startups for the last three years which involves bitcoin casinos and a Silicon Valley based social network startup (Wiselike.com). Worked both remotely and personally.

Strong experience in:
Server: **Node.js, PostgreSQL, MongoDB, Koa, Express**.
Client: **Javascript, HTML, CSS, SASS, React.js, Flux, Baobab.js, Webpack**.

I love to work with new and experienced people, i'm an startups fan and love to build cool stuff, open agriculture, and knowing new places.
